Specializing in OWI arrests and Driver License Restoration

LLC provides Highway Safety Courses, OWI Evals, Alcohol and Drug Awareness Classes, Urine Screens, and out of state services.

Lovely Home Type Setting

LLC Behavior Services Allows the client to focus on treatment and relax in a smaller more confidential setting. Groups are small normally 4 to 6 people maximum. However, some educational type groups may include up to ten people. In many cases the client is doing individual counseling or with one to two other person maximum. LLC Strive to provide the small quiet elegant learning where in-depth study can be done and try change can occur. The therapist, counselors, and case-managers are all recovering addicts who have change their lives and living a pro social lifestyle for multiple of years. Treatment modalities: CBT, MRT, and Spirituality
